EDDIE BURNS HIT HARD.

Vickers Pitched a Strong Game—McMahon Taken Out of Game Plattsburg Defeated Rutland, 6 to 5.

Burlington, Aug. 7.—The Northern league leaders put up a weak game both at the bat and in the field Saturday and were defeated by Burlington 9 to 0. Vickers pitched a heady game, allowing but five hits. Up to the eighth inning Burns also did good work but then the home team, aided by miff plays on the part of the visitors, scored seven runs, and put the game beyond recall. McMahon was taken out of the game and replaced by Morey.

The home team played an almost errorless game, the only misplay being made by McDowell, recently released by Plattsburg. The score:

"I suffered terribly with heart disease. I have been treated by different physicians for my trouble without results. I went to a physician in Memphis, who claimed that I had dropsy of the heart. He put the X-ray on me, and in connection with his medicine he came near making a finish of me. Some time before this a Mr. Young, of St. Louis, was in our town. He saw my condition, and recommended Dr. Miles' Heart Cure to me. I gave it little attention until my return from Memphis, when I concluded to try it, and am pleased to say three bottles cured me."

CHELSEA WON.

Defeated Williamstown in a Fast Game Saturday.

Chelsea, Aug. 7.—The Williamstown base ball team came here Saturday and lost their game. Boardway pitched the first four innings, doing good work. Pickering went into the box the last half. The Williamstowns thought they were going to have a cinch, but were mistaken, he striking out five of the first six that faced him. Shaw was the opponent pitcher from West. Randolph, Poland started in catching but hurt his thumb and retired from the game. Parkhurst made a good catch back of short. The features of the game were the home run of Frizzell and the catching of Comoli, he catching 3 out of five who tried to steal second. He also caught two difficult foul flies that made the crowd cheer. The home team made a double play, Burgess making a good throw from third to first and from first to Comoli, nailing Linds at the plate. Here is the line up:

THE WRITERS.

Sarath Kumar Ghosh, the East Indian author, is expected to come to this country next season on a lecture tour. Miss Helen Keller's book is being translated into a dozen tongues, including Russian, Bohemian, Roumanian, Finnish, Swedish and Japanese. Thomas Elwood Garrett, the well known St. Louis poet, dramatist and critic, is dead. He was born in 1827 in Chester county, Pa., going to St. Louis in 1851. His chief literary contribution is a book of poems entitled "The Masque of the Muses."

FIRST STEP TO PEACE

The Foreign Envoys Introduced on Mayflower.

GUNS BOOM AT OYSTER BAY

Mr. Roosevelt Formally Presents the Russian and Japanese Plenipotentiaries to Each Other.

Oyster Bay, Aug. 7.—History was made Saturday at Oyster Bay. Russians and Japanese clasped hands and greeted one another with all outward evidence of cordiality, and for the first time since nations began to have relations one with another, an executive of a great power received the envoys of two belligerent countries on a mission of peace. President Roosevelt, on behalf of the United States and its people, extended formal greetings to the plenipotentiaries to one another, and entertained them at an elaborate luncheon, at which Russian and Japanese fraternized as comrades rather than as enemies. During the luncheon President Roosevelt proposed a notable toast, in which he expressed the "earnest hope and prayer, in the interest not only of these two great powers, but of all civilized mankind, that a just and lasting peace may speedily be concluded between them."

MR. JEROME SPEAKS.

Address at Chautauqua Assembly on "The Patriotism of Peace."

Chautauqua, N. Y., Aug. 7.—William Travers Jerome, district attorney of New York, addressed 6,000 people at the assembly at Chautauqua, Saturday afternoon on "The Patriotism of Peace." Mr. Jerome declared that conditions of political and social unrest are fast approaching a crisis in this country. He attributed it to prevalence of selfishness and dishonesty. He referred to the Equitable investigation. "Has any one brought to light any intent to protect the widow and the orphan?" exclaimed Mr. Jerome. He referred to the building of Carnegie libraries in New York, which, he said, are not used and never can be.

"I for one believe it unwise to take millions from the pockets of the toilers down in Homestead and build useless libraries," he said. "Better forget the name of Carnegie and leave that money with the men who earned it and make their homes happy. I believe in law and order, but if I lived in one of those miserable hovels in the iron and steel district, and needed money for a loved one, I should not view the founding of these libraries with complacency."

Political unrest Mr. Jerome attributed to public disgust of men in public office, not sense of loss of the money they steal. He said neither of the big political parties stands for right principles. The best men are scared out of public life and a few who persist in trying to do their duty are hampered and blinded at every turn by a set of grafters. Gov. Higgins is one of these few, Mr. Jerome said. In closing, Mr. Jerome appealed to the political parties to stop squabbling over the Philippines and the tariff and get down to basic moral issues. "In that event," he said, "every individual citizen would fight the gang everywhere and at every opportunity."

ALLEGED SHORTAGE IN ACCOUNTS.

City Clerk and Treasurer of Berlin, N. H., Tries to Commit Suicide.

Berlin, N. H., Aug. 7.—It was announced Saturday by the police that City Clerk and Treasurer Wilborn A. Boothby has been found to be between \$7,000 and \$8,000 short in his accounts, and that he attempted to commit suicide Friday afternoon during an investigation by drinking laudanum. He was discovered after the act, and by prompt action his life was saved. Although Boothby was able to be about Saturday, the police had not made any effort to place him under arrest up to Saturday afternoon. Boothby is 35 years old, married, and has three children. Besides his official work, he carries on a job printing business. His shortage is understood to be fully covered by a bond which he carries in a surety company.

All inquiries at the Boothby home were referred to Dr. T. C. Pulsifer, who attended Boothby. Dr. Pulsifer said that Boothby was suffering from poisoning, self-administered, but that he would recover. When questioned as to the alleged defalcation, Dr. Pulsifer said that he was in ignorance of the extent of the shortage. "But," he added, "I am under the impression that it has been accumulated for at least two years."
